FutureScapes - Spennemann, Dirk H. R. - Online bestellen ... With its focus on cultural landscapes and landscape futures the book will have appeal for academics, professionals and students engaged in archaeological management, heritage/historic preservation, space history, futures studies and cultural landscapes, as well as for the broader space and environmental communities. Managing Cultural Landscapes: Journal of Cultural ... Managing Cultural Landscapes ... It highlights the scholars and history of landscape study within geography and reviews emerging trends. Bio-cultural heritage and biodiversity: emerging paradigms ... and valuing cultural landscapes and traditional management practices, there is only limited, integration of this in policy and landscape planning. Currently, few countries have effectively addressed the complex processes underlying landscape bio-cultural heritage and have established appropriate conservation methods and guidance.

Bio-cultural heritage and biodiversity: emerging paradigms ... Long-term studies across Europe have clarified the eco-cultural nature of landscapes and their biodiversity, and the importance of bio-cultural heritage. This raises issues of the nature of "Nature" for example, and of how perceptions of "natural" landscapes may be misleading. FutureScapes: Managing Emerging and Future Cultural ...
